Good game by Kiyaa on 2021/11/14 17:12 This game is fun and addictive and perfect for passing time but there are some glitches with the game. First off, when an item goes out of stock, you can spend hours or days trying to get back into the item. Secondly, the cheating needs to be fixed. You can see when someone has low health and attack them. They have the option to block you, but they can still win. There is nothing you can do about it. Third, the spells and potions arenâ€™t really useful. The spell usually only goes through to your opponent one time so thatâ€™s pointless. The potions are also very expensive and donâ€™t really do much of anything for you. Lastly, I would like it if there were some way to get more coins because when there are special items that cost 2021 or more coins I have to spend an entire day saving up for them. It really gets old once you get more coins than everyone else.",

Good for a few hours... by Tenderly18 on 2021/06/07 01:27 I have been playing this game for over 4 years now and I kind of got used to it. But now, it is starting to get annoying. The ads are way too long and I feel like they are just there to draw my attention and make money off of people that like this game. Also, sometimes you don't get the payout you think you do for your tickets or gems. There are some things they really need to work on because otherwise the app gets pretty boring after a while.",
