Awesome game by Nonstopgamer on 2021/04/12 20:34 I really like this game. It is challenging every time and can be played in your spare time while doing other things like studying or reading. There are multiple benefits to playing the game such as earning coins for each level, getting hints if you use them properly, and unlocking the next level of puzzles which I find very helpful. You won't spend any money on it so you can just keep playing without having to worry about any annoying ads.",

I'm love it by Bella fox on 2021/05/17 05:44 This is so fun for me I play it every day and I love it thank you for making such a wonderful game just one question though. They say we need 2,000 coins to upgrade but we only get 10 coins and if we spin 20 times thats the max 200 coins so how can we get more than that? Even though they have a lot of things have no coin is there any way you can make everything cost less coins? But besides that I think this game is great and fun to play with friends. I love it and I recommend it to anyone who likes playing fun games.",

Good but... by minecraftgirl\_2021 on 2021/02/18 22:32 This game is great i love it but there are WAYYYY to many ads and the coins aren't cheap at all. I don't mind watching ads for getting coins and what not but I don't do it all the time like you guys want me to. I only have a small allowance which means a lot of my money goes to starving myself on this game. And if you get an ad like once every hour just be thankful for what you get because 90% of phone apps are like that or even worse. Anyways it is a great game and I love it but there are some glitches. Like when I'm clearing the road, I have to tap on the broom to be able to sweep and keep tapping until it unlocks which causes me to lose a lot of lives. Also you could fix one of the new updates where coins and gems and tickets go away sometimes. Sometimes they don't even go away if you got them from one of the game features. And those features are part of getting coins and gems. What about lucky tickets? And if you have this problem too then just tap until it unlocks then get off for like 5 minutes or so then re-open the game. That usually fixes it. Also please fix the issue with the ticket counter. I don't know what it is but I've been watching a lot of videos and forums and they say that if your game is running slow then you should get rid of the "Greatest Hits" feature but you don't get any more coins or like any more credit for using that feature. It's just a wasted ability.",

Won't let me watch a video by Halvpony on 2021/11/24 22:17 This game is great. It's not the same as before because the coin and gem system but it's still fun to play and a good time waster. It's just that when I try to watch a video to get coins or gems, the ad never plays! I'll keep trying though because I love this game so much.",

Too many ads by Pooptart on 2021/08/20 15:40 It's kind of annoying how often you have to watch ads. I mean, an ad after like every two or three levels is fine, but then they also have ads that pop up if you don't choose the right word..and those are frustrating as well. The game itself is addicting and fun, but I feel like it's hard to progress in the game without looking for answers online..",

Fun puzzle game by Momochic on 2021/01/03 21:49 I love this app!! It doesn't have the same old boring puzzles that you play over and over while you're bored at your desk at work or at home. This way you can truly test your reflexes and it's more fun than just doing the same workout video all the time. There's only a few levels of difficulty which makes it even better, because not everyone is able to solve all of the puzzles!ðŸ•",
